## Next Meeting

**WEDNESDAY, APRIL 30**  
**(NOTE DATE CHANGE)**

**JO DIGGS**  
**Multi-Layered Applique**

The May general meeting will be held April 30th to take advantage of the wonderful teachers who are here for the Empty Spools Seminars.

We have the good luck to welcome Jo Diggs of Portland, Maine to our meeting. Jo has created appliqué landscapes since 1967 and has been teaching appliqué since 1974. She holds a BA in Art History and a Master's in teaching art.

Her work has been seen in numerous magazines, exhibits, books and one of her quilts is part of the permanent collection at the Museum of the American Quilter's Society in Paducah, Kentucky. Her multi-layered landscapes impart a sense of serenity, showing deep vistas lit by soft-colored light. The majority of Jo's current production is matted appliqué pictures of landscapes or fish.

The most recent quilts are a series of the Four Seasons: *Remembered Vistas* (Autumn); *Many Winters*; *Summer in a Shade Garden*; and *Spring*. Fans of Jo and her work will know that she will be teaching a seminar at Empty Spools the week of our lecture date. Learn more about Jo and see her work at [www.jodiggs.com](http://www.jodiggs.com).

## Quilt Show Recap: Hurrah!

Quilts by the Bay 2014 took center stage at PG's Good Old Days! Congratulations to every one of you who stitched a quilt, sold a ticket, or volunteered to complete any of the hundreds of tasks that made this show a success. A stunning array of quilts from traditional to contemporary adorned Chautauqua Hall.

Visitors seemed to stream through the door non-stop for two days. Your efforts were rewarded by the resounding ooh's, ah's, and chuckles that filled Chautauqua Hall. Your quilts were the subjects of many, many iPhone pics!

Our White Glove Ambassadors introduced scores of visitors to the finer points of quilt appreciation.

Our guests, young and old, took time to enjoy the Touch Me! quilt and learn more about our charitable endeavors in the community. Well done, Quilters.

Please accept an enormous thank you for your generous contributions of time and expertise to Quilts by the Bay 2014.

Susan Riddoch

### Mini Quilt Raffle Show Update

Thank you so much to all of you who donated quilts, bought raffle tickets and helped out at the show. We had many compliments on the quality and variety of the mini's....and next year we'll plan for another great group of quilts.

Our excited winners (and the dollars raised) made the effort worthwhile.

Thanks again.....and start a mini for next year's show!!!

### 2015 Raffle Quilt

Holly Casey is organizing the 2015 Raffle Quilt. The Sycamore Leaf block will be sewn in a variety of autumn leaf colors on a sky colored background. The sky background will be a color wash from pale blue sky to bright blue sky to dark night sky. Block patterns will be passed out at the April 30th meeting and collected 2 months later at the July 7th meeting. Each member is asked to make 3 blocks. If you aren't able to attend the April 30th meeting, contact Holly and she will get a pattern to you. All blocks will be used, either on the quilt top, on the quilt back, or in a "little sister" quilt for the small quilt auction during the next quilt show.

Thank you,

What is ALS? It's known as Lou Gehrig's Disease. Every 90 minutes an American is diagnosed with ALS. Every 90 minutes an American dies of ALS. American Veterans are 66% more likely to get ALS. Young people are also being diagnosed with ALS. ALS patients maintain full intelligence while the disease robs them of the ability to move, speak, eat, swallow and breathe. Complete paralysis (referred to as a 'glass coffin') and death is usually within 6 months to 5 years. There is NO treatment or cure. ALS patients and researchers need your help.
